Item 8.01 Other Events

As previously disclosed, Tile Shop Holdings, Inc. (the “Company”) is a nominal defendant and certain current and former directors are individual defendants in litigation brought by K-Bar Holdings LLC and Wynnefield Capital, Inc. (“Plaintiffs”), in the Delaware Court of Chancery (the “Action”). Plaintiffs pleaded the Action as a derivative claim on behalf of the Company and also on behalf of a putative class of certain holders of the Company’s common stock as of October 18, 2019 (the “Putative Class”). Plaintiffs alleged breaches of fiduciary duty in connection with, among other things, the Company’s decision to delist from Nasdaq and deregister its common stock under the Securities Exchange Act of 1934, as amended.

On June 30, 2020, the Company, the individual defendants, and Plaintiffs reached an agreement to settle all claims in the Action (the “Settlement Agreement”), which will be documented in a Stipulation of Settlement. The Settlement Agreement is subject to both preliminary and final approval by the Court. If approved, the Settlement Agreement will resolve the Action.

The description of the Settlement Agreement contained herein is not complete and is qualified in its entirety by reference to the full text of the Stipulation of Settlement, which will be made available once it is finalized and executed. Additional information regarding the Settlement Agreement also will be disclosed in upcoming public filings in the Court of Chancery, including a disclosure statement approved by the Court.

Each of the defendants has denied and continues to deny that any of them have committed any wrongdoing, violation of law or breaches of any duty of any kind. The Settlement Agreement includes no admission of wrongdoing or settlement payment by any of the individual defendants.

Among others, the Settlement Agreement contains the following financial and non-financial terms, which will become effective upon final approval by the Court:

- An insurance-funded settlement fund of \$12,000,000, which will be distributed to members of the Putative Class pursuant to an allocation and claims distribution process to be proposed by the plaintiffs and approved by the Court;
- Directors Jacullo, Kamin and Rucker agree to extend their previously-disclosed [standstill commitments](#) (see Company’s [Form 8-K dated January 10, 2020](#)) until at least June 1, 2023;
- The Company will continue to provide OTC disclosure at or above the level characterized as “Pink Sheet: Current Tier” for until the earlier of three years after the effective date of the Settlement Agreement or until such time as the individual defendants no longer serve on the Board of Directors of the Company (the “Board”);
- All shares purchased by Messrs. Kamin and Jacullo or entities affiliated with them between October 23 and November 8, 2019 shall be voted in the same proportion as the vote of shares held by Outside Stockholders (as defined by the Settlement Agreement) for three years from the date of purchase or until sold;
- The Company’s Insider Trading Policy shall be modified to extend the period before insiders can begin trading after a public announcement of material information;
- Subject to stockholder approval, the Company’s Certificate of Incorporation and Bylaws will be amended to expand the approval rights of public shareholders who are not directors and officers and to establish an Independent Transaction Committee of the Board of Directors, which shall initially be comprised of Mark Bonney and Linda Solheid (subject to their election to the Board at the Company’s 2020 Annual Meeting of Shareholders);
- Mark Bonney shall serve as the chair of the Board’s Audit Committee and Independent Transaction Committee for a period of three years (subject to his election to the Board at the Company’s 2020 Annual Meeting of Shareholders); and
- Mutual releases between the Plaintiffs, the settlement class, the Company and the individual defendants.

The Company expects Plaintiffs’ counsel to apply to the Court for an award of attorney’s fees in connection with the settlement of the derivative claims. Unless otherwise agreed beforehand, the Company will have the right to object to the amount of any fee award sought by Plaintiffs. The Company’s insurers have agreed to cover the anticipated fee award to Plaintiffs’ attorneys.
